RE: Lino Alberto Clarke

CONTINUATION:
Shortly thereafter, camera operators observed a pickup truck enter the property and drive towards the back. At this time, the camera operator advised the agents that the pickup truck stopped next to where the subjects were hiding and the four subjects boarded the pickup truck.

The camera operators then advised agents that the pickup truck was headed towards the main entrance of the Cisneros compound. Agents nearby responded and a vehicle stop was conducted on the pickup truck as it was exiting the compound.

As agents approached the vehicle, they observed the driver and four passengers. The driver was identified as Lino Alberto Clarke, a United States Citizen. The four passengers were questioned as to their immigration status to which they all admitted to being illegally in the United States.

All subjects were placed under arrest and taken to the Rio Grande City Border Patrol station to be processed accordingly.

At the Border Patrol Station, record checks were conducted on Lino Alberto Clarke, which revealed a 1 on 5 administrative alien smuggling case that occurred on January 7, 2017.

PRINCIPAL STATEMENT:
Lino Alberto Clarke was read his Miranda Rights. He understood his rights and agreed to provide a sworn statement without the presence of an attorney

Clarke stated he was aware that the people he was transporting were undocumented aliens. He indicated that he was hired by an unknown smuggler to pick up four aliens and was going to be paid $400 USD. Clarke stated that he agreed to transport the aliens because he needed the money to pay child support. He stated that the smuggler who hired him gave him instructions to go inside the Cisneros compound and that the aliens would come to him. Clarke stated that once inside, the four aliens boarded the pickup truck and he told them “let’s go”.

MATERIAL WITNESS STATEMENT:
Kevin Alexander Lara-Santamaria was read his Miranda Rights. He understood his rights and agreed to provide a statement without the presence of an attorney.

Lara, a citizen of El Salvador, stated his grandfather made the smuggling arrangements. He was smuggled into the United States on February 14, 2017 along with five other people and was instructed by a brush guide to continue walking through the brush until reaching a road. Lara stated the brush guide told them to cross the road and hide behind the compound and wait for the load vehicle. Lara indicated, that short time later, a vehicle stopped near them and a male driver signaled them to enter the vehicle. Lara identified Clarke through a photo lineup as the driver of the vehicle.
